

## CLASS A FELONY

The facts supporting this belief are as follows:

- 1: On 11/15/2011 Shelby Dasher contacted the St. Louis County police and reported her one year old son Tyler Dasher was missing from her home in south St. Louis County.
- 2: On 11/15/2011 the body of a small child was found in a wooded area near the residence of Shelby Dasher.
- 3: The body was identified as Tyler Dasher.
- 4: The medical examiner for St. Louis County determined that Tyler Dasher died as a result of blunt force trauma to the head.
- 5: St. Louis County police detectives interviewed Shelby Dasher who stated that she had repeatedly struck Tyler in the head and body causing his death when she could not get Tyler to stay quiet in his crib. Shelby Dasher stated she then hid Tyler's body in the bushes where he was later discovered.
